NEW NEW NEW:

1.) **If there is enough interest we plan to do a GPS poker run. Bring your GPS and latitude/longitude trail maps. This run will have a buy-in of \$20. You will need to find various GPS sites located around the mountain to obtain cards for a poker hand. This run will not have a leader. You do it on your own or join up with others. Nice prize for the best hand. Sign-up sheets for all runs at registration desk.**

2.) **Potluck Mixer at Tanda Saturday night 6:00 PM with the Awards Presentation to follow.** We tried the potluck at the last Lone Pine run and it was a huge success. Along with a main dish,

3.) **Run Specific T-Shirt.** We are going to do custom artwork T-Shirts for the Big Bear Bash. Shirts will be Beefy-T or equal, ash in color and planned design for the back is a light colored bear paw background (Big Bear type logo) with "Old Red" in the foreground. Big Bear Bash '08 across the back. Front left will have Manx Club ID. These are on a per-order basis only. Order now and pick-up at the registration table. See registration form to order correct sizes.

4.) ***Price Reduction** from \$50 to \$40. We may be cutting it close, but in theory more people can come if we help offset the price of gas. If we get a few more buggies and people because of a lower price this strategy will work! Join us!
